

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Everywhere you go you hear complaints about the lack of service being given by the Post Office. Cong. Graham Purcell, chairman of the House Committee on Post Office and Civil Service, has launched an investigation into the postal service in Texas and if what he claims is true then we have a right to be complaining.

His committee will be investigating charges that Texans have unknowingly been made the subjects of experiments by the Post Office department to determine, in Purcell's words, "just how much people will stand for in the way of reduced postal service without complaining."

Among the reductions cited by Purcell were deliberate delays of first class letters, closing of post offices, and reduction of service on weekends, and elimination of individual postmarks in several smaller towns in Texas.

"As complaints have mounted regarding postal service in Texas," Purcell said, "it has become increasingly clear that postal officials have deliberately allowed or actually directed postal slowdowns. Under the guise of saving money, postal officials have deliberately overridden postal regulations by directing that only handwritten letters were to be processed on weekends, with typewritten and business letters delayed until the following Monday. If true, this is clearly an outrage to the public and a violation of postal regulations. Since repeated complaints to the Post Office Department have done nothing to improve service, Congress must now take a hand."

We attended a board meeting of the West Texas Press Association in Lubbock this past weekend and this lack of postal service was the one thing that seemed to be a common problem with every publisher attending. And in every case they were quick to point out that the problem did not lie with the local post office but elsewhere.

They all seemed to feel like we do, that in every case the local postal workers were doing everything in their power to offer good service but that the problems come after the mail leaves town.

For years we had overnight mail service to Dallas, but not anymore. We can get to Fort Worth in one day but it takes at least two days to Dallas. Dallas is only an example of the poor service but it is an important one because of the great number of suppliers located in Dallas that supply the needs for us here in Hamlin.

It used to be that you could mail an order on Thursday and have the goods back here by Monday. But not anymore. Now you must mail by at least Wednesday if the supplier in Dallas is to get it by Friday and then he must find some way other than parcel post to get it back to you by Monday.

We understand that the bulk of the problem is that the Post Office, which traditionally has moved most of its mail at night, has cut all of the night crews back to only small forces. They claim that they can not keep help when they have to work at night. This is strange since there are a great many industries that work around the clock. If the daily newspaper business, to sight only one example, took this attitude then you would no longer have a morning newspaper.

If Purcell is right, and the Post Office Department is trying to find out just how poor we will let the service get, we feel it is time for the public to let them know we have had enough. About the only way we know that you can do this is to write your congressman and senators. Please don't complain to the local Post Office personnel—they have heard it already.

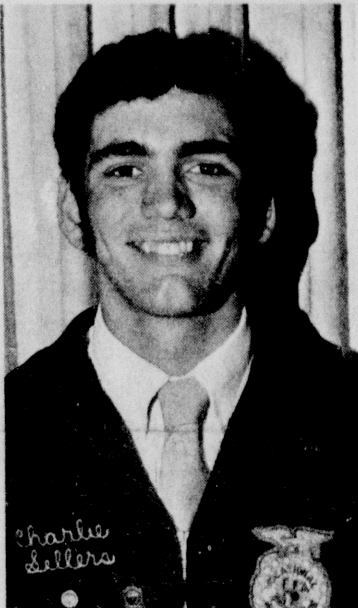

CATALOG SYSTEM WORK UNDERWAY—Miss Lola Rivers Thompson of Stephenville, left, explains the steps necessary to make up a complete card catalog system to volunteer workers, from left, Mrs. Skipper Smith, Mrs. Melvin Scott and Mrs. A. J. Winegeart. Miss Thompson will be here through Friday working with some 40 volunteers who are making out work slips, typing cards and filing.

Local Youth to Attend FFA Convention In Kansas City

Two members of the Hamlin Chapter of Future Farmers of America, Charles Sellers and Rodney Ruckley, and their advisor Milburn Wink, are planning to attend the National FFA Convention in Kansas City, Missouri, next week. The group will leave from Fort Worth Monday afternoon and return after the convention adjourns Friday. Charles is attending the convention as one of the fifteen Santa Fe Educational Award winners from Texas. Of the over 50,000 FFA members in Texas, only area or state officers and award winners are eligible for this award. Charles is eligible on three accounts. He is Area II FFA Association Vice-President representing the Double Mountain FFA District, he is the Area II Texas and Southwestern Cattle Raisers Award winner, and he is the Area II winner of the Agriculture Mechanics Proficiency Award sponsored by the National FFA Foundation.

Rodney was selected to attend by chapter officers. Since a chapter leadership school was not held this past summer, the officers decided to send one officer to the National Convention. Rodney is reporter for the Hamlin Chapter and president of the Double Mountain District.

Gil Lain will join the Hamlin group Wednesday. He is

to receive his American Farmer Degree at the convention Thursday afternoon. The American Farmer degree is the highest degree conferred upon members of the FFA. Only one member out of every thousand receives this degree each year.

The Hamlin Chapter is to be recognized at the convention in the National Chapter Rating Contest. The Hamlin Chapter is one of twelve chapters representing Texas in the National Contest.

P-TA to Open Annual Drive

SERVICES TO BE HELD
TODAY FOR DAVID
J. CLEMENTS, 89

Services for David J. Clements, 89, of Garland will be held here today (Thursday) at 3 p.m. in the chapel of the First Baptist Church. Rev. Howard J. Jones, pastor, will officiate.

Mr. Clements, a longtime Hamlin resident, had lived in Garland for one and one-half years. He died at 4 p.m. Tuesday at Presbyterian Hospital in Dallas.

Born Oct. 5, 1881 in Linden, his parents were the late Mr. and Mrs. B. E. Clements. He was married to Georgia Jackson in Upshire County Apr. 7, 1909. She died Aug. 1, 1967. He was a retired carpenter and member of the Baptist Church.

Survivors include a brother, Ira A. Clements of Hamlin; one sister, Mrs. Lude Howell of Amarillo.

Burial will be in Hamlin East Cemetery.

Pallbearers will be J. C. Turner, A. G. Miller, D. D. Crow, Grad Smith, Pete Bond and Edgar Duncan.

The annual Magazine and Hamlin Herald Drive will be launched by the Hamlin Parent-Teachers Association at a 10 a.m. assembly Friday at Hamlin Junior High School, according to P-TA president, Mrs. Ray Edmiston.

The drive has been set Oct. 9-20.

Mrs. James Stewart, organization treasurer, will be in charge of the drive.

Junior high school students will be selling subscriptions to popular magazines and the Hamlin Herald.

Elementary students will be selling Herald subscriptions.

All will be working toward prizes given through the P-TA based on the number of sales.

To Meet Monday

The regular meeting of the Hamlin Masonic Lodge will be held at 7:30 p.m. Monday, Oct. 12 in the Masonic Hall.

All members and visitors are requested to attend.

Seventh, Ninth Grade Teams To Play Today

Because of a change in the schedule, the local seventh grade will play the Anson seventh grade here today (Thursday) at 5 p.m. with this game to be followed by the regularly scheduled Freshman game with Rotan which will start at 6.

Tuesday the two junior high teams will travel to Rotan for a return match with the Rotan seventh and eighth grade teams.

Last Thursday the local freshmen lost their first game of the season when they fell to the Rochester varsity, 27-12. Hamlin scored first but trailed at halftime, 21-6. Bill Cork scored the first Hamlin touchdown on a 16-yard run and Kenneth King closed out the scoring for the evening

Pipers to Travel to Jacksboro Saturday

The Pied Pipers will take the evening off Friday and then travel to Jacksboro Saturday for a homecoming tilt with the Jacksboro Tigers. The Tigers, with a 3-1 record, defeated Stamford last Friday, 27-14.

This will be the final non-conference game for the Pipers who are still looking for their first win of the season. Coach Deane Wright said that the Pipers came out of the game with Coahoma in

of the backfield is a real fast wing back, Sammy Lewis, 155 pounds.

Lined up in front of this backfield will be a big, strong line with Ronnie Colbert, 185 pounds, and Terry Wolfe, 168 pounds, at ends; Randy Jackson, 196 pounds, and Greg

Lawrence, 212 pounds, at tackles; John Dykes, 183 pounds, and Richard Poyner, 159 pounds, at guards; and Mike Witherspoon, 162 pounds, at center.

The Tigers make very few changes in the lineup on defense.

Firemen to Host Area Convention Saturday

The Hamlin Volunteer Fire Department will host the 64th semi-annual meeting of the Mid-West Texas Firemen and Fire Marshals Association here Saturday.

Registration will begin at 10 a.m. in the Fire Hall.

The Ladies Auxiliary will meet at 11:30 a.m. at the high school cafeteria for a salad luncheon hosted by the local firemen's wives. All ladies of immediate families of district firemen, active, inactive or retired are invited.

The business session will be at 1:30 p.m. in the Jaycee Community Building with Gene Kelly of Rotan, president, presiding.

J. O. Murphree will lead the pledge to the flag and Hartsell Ash will lead the singing of "America." The association chaplain will give the invocation.

Mayor Hollis Madden will give the welcome address. Frank Crow of Baird will

respond to the welcome.

Presentation of guests will be by Tom Watson of Haskell. G. L. Autrey of Snyder is in charge of roll call and minutes.

Charlie Bennett of Rotan will give the report of the credential committee.

Following entertainment furnished by the local department, door prizes will be awarded.

The speaker will be Mike Cullifer, Lone Star Gas Safety Engineer. He will be introduced by Charles Hilburn.

The races will be held at 4:30 p.m. on Southwest Second Street at Avenue A.

The barbeque at 6:30 p.m. will be served at the high school cafeteria.

A dance at the Jaycee Community Building has been set at 8:30 p.m.

Two Patrol Cars Collide While In Pursuit of Speeder

Two law enforcement vehicles were involved in a collision Sunday evening while in pursuit of a law violator.

Highway Patrolman Bobby Stone called in for assistance in apprehending a speeding motorist and was joined in pursuit by Hamlin Patrolman James Kerby. Both were traveling south on North Central and turned west on West Lake Drive. At Southwest Avenue F the speeding car turned left followed by Patrolman Kerby. Patrolman Stone, not anticipating the sudden turn, was continuing down West Lake Drive and was in collision with the City Police car.

It was estimated that over \$500 damage was done to the Highway Patrol car and over \$400 to the city car.

Chris Pena, was later apprehended and charged with speeding and disregarding police officers. He was fined \$100 by Justice of the Peace John Barnett.

Piper Band to Perform At State Fair Monday Evening

Ninety-seven members of the 101-piece "Marching Green" will leave Hamlin High School early Monday morning for Dallas and the State Fair of Texas.

One of ten bands in the state asked to participate, the Piper aggregation will take part in the State Fair Musical Festival in the Cotton Bowl Monday evening at 8 p.m.

This year's theme, "A Man and His Music," will honor Bert Bacharach, who will conduct the bands. Several of his numbers will be featured,

including "Alfie" and "Bicycle Built for Joy."

The Marine Drum and Bugle Corps, Silent Drill Team, North Texas Lab Band and the Permian High School Band from Odessa will also be featured. A gigantic fireworks display will conclude the evening's performance.

A concert will be played by the Piper Band at 1 p.m. Monday at the Hall of State Plaza.

The band will spend the night in Mesquite, attend the Fair on Tuesday, and return Tuesday evening.

Federation Is Theme for Literary Club Meeting

Federation was the theme for the opening meeting of the Woman's Literary Club Friday at a luncheon at Hamlin Restaurant.

Mrs. Donald Young, president, presided.

Six new members were introduced by Mrs. Young. Included were Mmes. J. L. Waggoner, O. H. Weaver Jr., Claude McDonald, S. L. Calhoun, Archie Carson Jr., and Luther Kirk.

Mrs. Joe Simpson, program director, introduced panel members. Mrs. A. A. Hackley spoke on the General Federation of Women's Clubs; Mrs. L. H. McBride, Texas Federation of Women's Clubs; and Mrs. R. D. Moore discussed the individual club woman.

Members of the yearbook committee were hostesses.

Mrs. Simpson, chairman of the yearbook committee, distributed yearbooks. She was assisted by other members of the committee, Mmes. Charles Hilburn, Johnny Waldrop and A. B. Carlton. The committee also served as hostesses.

Table decorations were arrangements of fall fruit and vegetables. The head table centerpiece was arranged in a long wooden bowl. Arrangements of turban squash, pumpkins, apples, pears, pomgranates were arranged on sycamore leaves and were used down the center of the main table.

Mrs. L. O. Hughes assisted the hostesses with the decorations.

Mrs. Kirk gave the invocation.

During a brief business session, the resignations of Mrs. Robert Wilson and Mrs. Jack Vaughan were read. Mrs. Moore was asked to secure a name for the office of recording secretary to succeed Mrs. Wilson. Election of the new officer will be at the next meeting.

Announcement was made that the Woman's Forum would have a booth at the Jaycee Carnival Oct. 12, 13, and 14. Each member was asked to participate by bringing books.

The next meeting will be Oct. 16 in the parlor of First United Methodist Church with Mrs. Hughes as hostess. The program will be "Traveling in Africa" presented by Mrs. E. D. Perrin, guest speaker.

Oct. 5-9 Set As National P-TA Week In Nation

President Nixon has proclaimed Oct. 5-9 as National P-TA Week. He says, "As a tribute to the important contributions of the Parent-Teacher movement to the American way of life and the continuous effects of the National P-TA to provide quality living and quality learning for all Americans, the Congress, by Senate resolution 228, has requested the president to issue a proclamation."

The American Parent-Teacher movement was born 73 years ago.

The first meeting was called the National Congress for Mothers. Its founding purpose was "to foster a strong and fruitful relationship between the mothers of America and the teachers of their children."

Now the national Congress of Parents and Teachers, has provided effective leadership at the national level, focusing the thinking and action if its membership on problems of urgency and importance.

Jones County Farm Bureau Convention Set Saturday

The Jones County Farm Bureau will hold its annual convention Saturday, Oct. 10, in the Anson high school auditorium at 7:30 p.m. The voting on new resolutions and new directors will highlight the business activity of the meeting.

The Farm Bureau Queen, Christy Lundgren of Stamford, will be recognized at the convention. Also the three seminar students, Keith Byers of Noodle, Jeannie Ferguson of Hamlin and Annette Jensen of Lueders-Avoca, will give short speeches on the Citizenship Seminar held in Waco this past summer.

All members are urged to attend this convention and vote on the resolutions which will be of concern to all farmers, ranchers and people in connection with these occupations.

Three Charged With DWI Here

Three cases of driving while intoxicated (DWI) have been filed following arrests made by the Hamlin Police Department.

James A. Jenkins, 63, Route 1, was arrested for DWI at 8:45 p.m. Oct. 3 by Patrolmen James Kerby and Louis Stinnett. Jenkins is free on \$750 bond set by County Judge Leon Thurman.

Roy Howard, 22, of Stamford was arrested at 11:40 p.m. Oct. 4 by Patrolman Jimmy Ratliff and Kerby. He entered a plea of guilty before Judge Leon Thurman in Jones County Court. He was fined \$150 plus \$43 court costs and three days in jail.

Truman James Robins, 28, 231 S. W. Fourth was arrested at 2:58 a.m. Oct. 6 by Patrolman Ratliff. Robins is free on \$750 bond set by Justice of the Peace Barnett.

ASC County Committeemen Voting Results

Farmers and ranchers of Jones County have elected the following 1971 community committeemen and alternates in a mail election conducted earlier this month, according to John E. Nix, Chairman of the County Agricultural Stabilization and Conservation Committee:

"A" Community: Chairman, John E. Scarborough; Vice-Chairman, B. H. DeBusk; Regular Member, J. C. Riddle; First Alternate, E. L. Jenkins, Jr.; Second Alternate, Jim Lee Baucum.

"B" Community: Chairman, J. E. Youngquist; Vice-Chairman, Eugene D. Watts; Regular Member, Carl Bearden; First Alternate, I. H. Rogers; Second Alternate, Darrell Richards.

"C" Community: Chairman, Franklin Godfrey; Vice-Chairman, Billy Vinson; Regular Member, J. Lewis Carman; First Alternate, Calvin Cooley; Second Alternate, Joe P. Howle, Jr.

"D" Community: Chairman, Orval Ely; Vice-Chairman, Glen Bicknell; Regular Member, Richard Cooley; First Alternate, Tom R. Hogan; Second Alternate, Curtis Clyburn.

ASC community committees assist the County ASC Committee in administering farm programs in Jones County, such as cotton, wheat, peanut and feed grain acreage allotments and bases, and agricultural conservation cost-sharing measures. They also help keep local producers informed of farm program provisions and regulations.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

NEWS FROM ...

Sylvester

By MRS. R. M. BARR

Raining and the wind is really blowing at this time. We will see what happens before the day is over.

Our sympathy to Mr. Waldo Gatewood in the death of his uncle in Clinton, Ark. last week. He had spent some time here with Waldo when they first moved to our community.

Our sympathy to the family of Elmer Pursley of Fort Worth, who passed away last week. He was raised here and married Eula West. Both were well known.

Guests in the home of Mrs. Tindal Sunday were Mr. and Mrs. Oran B. Mauldin of Abilene, Mr. and Mrs. Bruce Mauldin of Tech in Lubbock, Mr. and Mrs. A. J. Griffin are returning to Okla. City this morning (Monday).

Mr. Henry Cook is slowly improving in Hendrick hospital at this writing.

The Gerald Prather family of Sweetwater spent Sunday afternoon in the W. B. Brown home.

Mr. and Mrs. Med Herron

visited the weekend in the Morton Home in Dublin.

Mr. and Mrs. Faye Dozier visited in the Junior Dozier home in Anson Sunday and attended First Baptist Church.

The Dewayne Early family of Snyder and the Wyman Early family of Roscoe visited in the Cliff Early home Saturday night.

Mr. and Mrs. D. A. (Jonah) Self drove to Houston to attend the funeral of a cousin.

Mr. and Mrs. Homer Pursley drove to Ft. Worth for the Elmer Pursley funeral.

Neda Kiser is at present in the Fisher Co. Nursing Home in Rotan.

May Hurst spent several days last week in the home of Mrs. Ezell Whitten of Hamlin.

Mrs. Montgomery is able to be home after several days in the hospital.

Mr. and Mrs. David Burton Wright of Ft. Worth are parents of a girl, Danna Kay, born Sept. 30 at 9:40 a.m. She weighed 6 lbs. 13 1/2 oz.

Tommy Carpenter of Algiers, Algeria, has been visiting his parents, Mr. and Mrs. Fred Carpenter. He returned Saturday.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(October 2, 1925)

Last Friday night about eleven o'clock, the Pioneer Gin was discovered to be on fire. There were lots of alarms turned in and a record run was made by the Fire Boys. It was found that the boiler room was well afire and that the entire double gin plant was in great danger. Quick and heroic work soon had the blaze under control and only the boiler house was burned. The small steam fittings and one smoke stack was damaged to such an extent that new ones had to be ordered. Telegraph wires and express trains soon had every piece here and by working night and day and on Sunday, the plant was able to fire up and resume ginning by Monday about five o'clock. The electric gin on the north kept running. The damage was considerable, but in a few more days new smoke stacks and a new roof and other new parts will be completed, and the big gin with its three rows of stands and round bale will never know that a fire had come.

It has been many months since a set or string of business houses have been built in Hamlin that is making a "boom-like" appearance as the four or five brick and concrete structures that B. S. Ferguson is now erecting. These houses have the greatest amount of concrete in them that any house or set of houses can claim in Hamlin. Already these buildings are rented and will soon be occupied by important business concerns.

TWENTY YEARS AGO
(October 6, 1970)

Hamlin High School is preparing for the big student council event of the year which is to be held Saturday night in the form of the annual high school carnival. Doors of the high school gymnasium will open at 6:00 p. m. and the usual variety of games will invite public participation.

Feature of the Saturday night event will be the coronation of the high school queen. Backing for the respective class candidates has been unusually keen this year and a tremendous number of votes will have been cast.

The following girls have been chosen to represent their classes in the competition this year: Amanda Freeman, eighth grade; Tommie Lowe, freshman; Billie Putnam, sophomore; Susanne Hudson, junior; and Doris Rodgers, senior.

Saturday found the main street of Hamlin teeming with workers hawking their wares as they conducted bake sales, rummage sales and all manner of money raising devices to earn votes for their particular candidate. One class even supplied a public address system and musical extravaganzas as an added inducement.

Hamlin's high school band, under the leadership of Walter Chalcraft, will go to Haskell Tuesday for participation in the fair to be staged by that city.

Hamlin's aggregation will be one of several that are slated for appearance at the Central West Texas

event and follows the precedent of of the Abilene celebration just closed.

Mid-West Texas Firemen met in Rotan Thursday for their semi-annual meeting and Hamlin was to be represented by an almost 100 per cent attendance for the night meeting of the association.

Afternoon portion of the program was to feature a number of contests which a local team will enter. Weldon Hudson, Jake Lawson, Sol Branscum, Bill Thompson, Jack White and Jesse Kelley will form the Hamlin team that will participate. Lee Hastings was an alternate.

The evening program will include a wide variety of social events for which the Rotan Volunteer department has made extensive preparation.

Hamlin delegates to the meet are to make a determined effort to obtain the next meeting of the organization for this community.

TEN YEARS AGO
(October 6, 1960)

The Hamlin Jaycee Carnival is in full swing and will continue through Saturday night with plenty of fine entertainment for the whole family. The show will be held at the high school stadium parking lot.

Highlight of the carnival will be the drawing each night for the Treasure Chest prizes. Tickets are still available from merchants displaying the treasure chest signs.

Jerry Howard, Jaycee president, said this week that the club members will operate the fun booths but that skilled operators will be running the rides. The senior class will be in charge of the refreshment stands.

Proceeds from the carnival will be used by the club to continue their civic projects and to permit them to take on new ones.

Ira A. Clements, rural mail carrier for Route 1, has retired after completion of 42 years service with the U. S. Post Office. His retirement was effective October 1, according to Perry Sparks, Postmaster.

Brad Rowland, Sr., who has been Assistant Postmaster for about eight years, has resigned that position and has become the Route 1 carrier, as of October 1.

Rowland began in the local post office in 1926. After serving as a substitute for two years he was made regular in 1928. He was absent for a time during World War II, serving in the U. S. Army.

Bobby Crowley, who has been in the local office for eight years was appointed Assistant Postmaster by the U. S. Post Office Regional Office of Dallas. He had formerly been distribution clerk.

John H. Steele has resigned the local office and has become active in farming interests.

Royce Campbell, pastor of the Calvary Baptist Church, has been appointed as part-time clerk.

Others on the present staff are Edd Lewis, money order clerk; Don Elmore, substitute clerk; Jack Russell, Route carrier; Harold Bonner, Route 3; and Roy Hennington, city 2.

A Different Kind of Youth Festival

A group of high spirited youths met Saturday night in a pasture northeast of Hamlin. As is typical of this modern generation and its unpredictable ways not one youth arrived by automobile. As the sun went down in the clouded west and scattered raindrops fell, the youths assembled in by wagon. The elements couldn't quench that urge to get together.

As darkness fell, camp fires created weird shadows and shapes on the horizon. Off to one side, a football was flying back and forth in such darkness that only the strong and powerful eye of an alert youth could follow it. To another side of the fire, you could hear rocks rolling and long gasping breaths being caught as others scrambled up and down steep canyon walls.

Down below by a stream, you could hear a rustling as other youths wandered in and out of the cattails. Soon the

energy filled bodies began to be relieved and everyone began to gather back around the fire.

After many faces and wieners were roasted and everyone was filled with food, one could hear guitars strumming in the distance as the sound of modern tunes began to fill the air and were lifted from a plateau far below the crest of the ridge.

Soon everyone was gathered down by the musicians in a circle around the campfire. Surrounded by high canyon walls in its original beauty, covered with a blanket of spectacular blue sky with bright luminous stars, the words began to accompany the tunes. But wait! Yes, it was those dear old hymns of yesteryear put to today's tunes, but their effect was even greater as one could see the spirit in those faces.

What! Youths of today religious? There was a pause in the

music. Could you believe it? They started slowly, one by one, to count their blessings. Something few adults take time to do in this day and time. One led in prayer then as a group they sang "Bless Be The Tie That Binds" as they all held hands.

At 9:30 they began to prepare to leave.

Not one protest.
Not one bombing.
Not one burning.
Not one breaking the law.
No pep pills, marijuana or LSD.

Brother, this is America, this is what our forefathers died for. The same blanket of sky that covered baby Jesus before he died for them and the same beauty he created, they enjoy just as much today as other men did the night of His birth. Just one Sunday School Class of the North Central Avenue Baptist Church as they write another chapter in the book of life. by Rev. Harold Fleming

The Lord is my shepherd

PSALMS

PSALM 23
David's confidence in God's grace.
A Psalm of David.
THE LORD is my shepherd; I shall not want.
He maketh me to lie down in green pastures; He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: For thou art with me; thy rod and thy staff they comfort me.

The 23rd Psalm is one of the most familiar chapters in the Bible. Early in life, most of us have committed it to memory. Every once in a while we should go back to these verses and think of the wonderful message of faith and trust in God that they reveal to us. They show us that we have a loving Father; one who will show us the right paths; one who will protect and provide for us. These scriptures end with a note of thanksgiving and a promise.

"Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever."

Plan to start a regular worship in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

RECEIVES CHECK—Mrs. Rollins Roth, center, receives a \$50 check from A. Hugh Cunningham of Dallas, employee relations manager for Texas Pacific Oil Company, when she was an honored guest at the safety meeting held in Aspermont. Looking on are, from left, her husband, Rollins Roth, A. D. Asher, area superintendent and F. A. Bolen of Abilene, district manager. Mrs. Roth was first "runner-up" in a national "Family Safety Story" contest for employees and families.

Mrs. Rollins Roth Honored for Story In Safety Contest

Mrs. Rollins (Pat) Roth, has been selected as the first "runner-up" award winner in a national "Family Safety Story" contest for employees and families of Texas Pacific Oil Company, Inc. and other affiliated companies of Joseph E. Seagram and Sons, Inc.

The stories submitted were to show how safety precautions paid off or how a lesson was learned through some experience.

The winning stories will be featured in a forthcoming company safety publication to be mailed to employee's homes.

Mrs. Roth was presented a \$50 check at a recent company safety meeting held in Aspermont. The honored guest at the meeting, she was accompanied by her husband, Texas Pacific Production Foreman in the Hamlin area.

Mr. Roth has been with TP

Eagles Beak--

by Shirley Ann Gann

There hasn't been much excitement around McCaulley the past week. Just a couple of football games and the teachers handed out report cards. The Junior High football team played host to the Hobbs Panthers Thursday, Oct. 1 at 7:00 p.m.

The Eagles won another game 22-20. This made the fourth win and no losses. The Junior High team will travel to Hermleigh tonight (Thursday).

They have been playing since 1968, but previously had five years service with Texas Pacific Coal and Oil Company and its successor, Texas Pacific Oil Company, Inc.

day). They will play at 7:00 p.m.

The McCaulley High School team was not so lucky. They traveled to Lueders-Avoca Friday. The Raiders beat the Eagles 48-0. Maybe they will do better in the games in the future.

The Eagles will travel to Benjamin to play them for their homecoming.

The game will start at 8:00 p.m.

So put all you got into it boys we are backing you all the way.

Civil Defense Seeks Help For Emergency Equipment

The Hamlin Civil Defense Service in regular meeting Monday evening discussed current projects. Additional funds to buy emergency equipment was discussed as one of the most pressing needs.

The CD Service has acquired a portable gasoline powered generator that will produce 1500 watts of 110 Volt AC, 12 or 24 volt DC power.

Chief of Police Bryan Wasson said that it will be used for any type of emergency requiring electrical power. He cited one way that the equipment could be used was in case of a major highway wreck.

The local Post of Woodmen of the World donated \$150 toward the generator purchase. Still needed is \$131 to pay for the generator.

Also, on a trial basis, the CD has a seshuctor, an apparatus used to relieve asphyxiation. However, Chief Wasson said, it appears that it will be necessary to send it back, due to lack of funds to purchase it. For this life saving device to remain in Hamlin \$220 would be needed, he added.

These and other rescue equipment will be placed in the recently acquired Metro van if necessary funds are raised.

A money raising project of selling Halloween Candy was adopted.

Anyone wishing to donate money toward the purchase of these items may send it to Hamlin Civil Defense Service, Glen Williams, 221 North Central, Hamlin.

Area Baptists To Hold Annual Session Monday

The Annual Session of the Fisher, Jones, Stonewall-Kent Associations will be held Monday, Oct. 12, in the First Baptist Church of Hamlin, announced Rev. T. O. Upshaw, Area Missionary to the Double Mountain Area. The meeting will be held in two sessions. The theme for the meeting is "Sharing The Saviour".

The evening session will begin at 7:00 p.m. and feature a report on Christian Education from Dr. Elwin Skiles, president at Hardin-Simmons University and a projection of things to happen at Lueders Baptist Encampment by Rev. Neal Shepherd, administrator of the camp.

Rev. Harry Hamblen, as associate in the State Missions Commission of the Baptist General Convention of Texas will speak on "Sharing the Saviour Through State Missions". Hamblen is Missionary Coordinator for Area and Associational Missions with offices in the Baptist Building in Dallas.

Rev. T. O. Upshaw, Area Missionary will bring the annual sermon to close out the meeting.

Scifres Urges Exes To Register for Homecoming Early

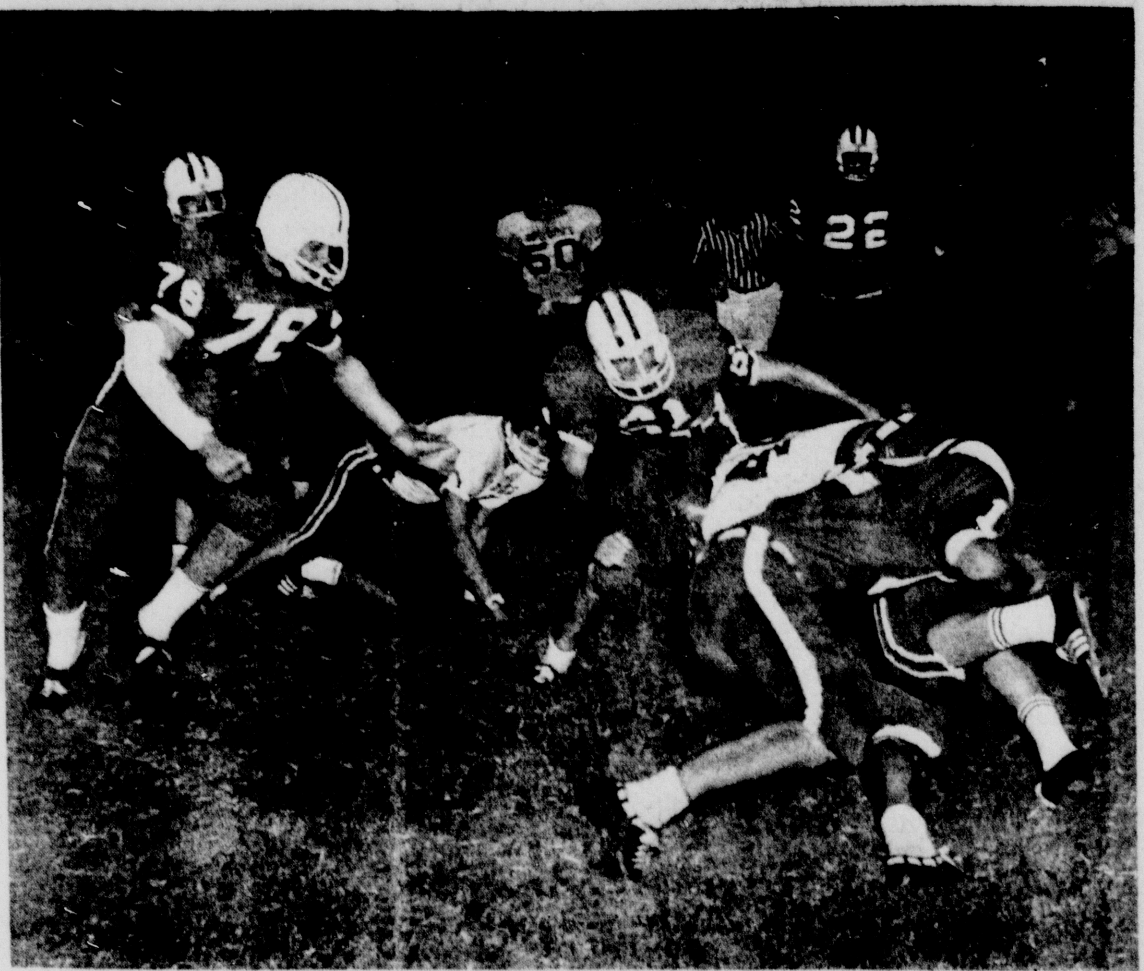

Raymond Scifres president of the Hamlin Ex-student Association, is urging all ex-students and teachers to register for the Homecoming as early as possible.

The officers will be able to handle the flow of registrations much easier if early registrations come in, he said.

Plans have been made for the annual parade, Scifres added. Jerry Smith, parade chairman, has notified school organizations and businesses and civic groups that entries are invited.

First, second and third prizes of \$25, \$15 and \$10, respectively, will be awarded for beauty and open division of each category. The two categories will be (1) school classes and organizations and (2) business concerns and civic organizations.

Those desiring to enter a float should contact Smith at his office, 576-2681 or at his home, 576-2676.

BULLDOG STOPPED—Coahoma Halfback Dusty Choate (44) is tackled by Steve Teichelman (12) after a short gain here Friday night. Other Pipers coming up to help are left to right, Greg Perrin (78), Fernando Rangel (61) and Charlie Sellers (22). (Tim Jones Photo)

Mistakes Costly As Pipers Fall to Coahoma Friday

Mistakes were costly for the Pipers here Friday night as they went down before a strong Coahoma Bulldog team, 34-0. Mistakes stopped Piper drives all evening and set up most of the Bulldog scoring.

The Bulldogs scored following two pass interceptions and a fumble while penalties, fumbles and pass interceptions kept the Pipers from ever putting together a serious scoring threat.

Coahoma shocked the Pipers by returning the opening kickoff 80 yards for a score but it was called back

Eighth Grade Rolls Over Anson, 50-20

The Hamlin Eighth Grade team captured their fourth victory here Tuesday evening as they overpowered the Anson Eighth grade, 50-20. The seventh grade game was postponed until 5 p.m. today (Thursday).

Quarterback Tracy Rowland passed to Tailback Johnny Jones for two touchdowns. Jones ran for four. Fullback Luke Reynolds scored one and three conversions, and Jerry Don Johnson intercepted an Anson pass and returned it for a score. The Hamlin defense caught the Anson team in their own end zone for a two point safety.

Three FFA Boys To Attend District Meeting Monday

Three Hamlin FFA members will be attending a meeting of the Double Mountain FFA District Association Monday afternoon at 3:30 in Rule. They are Carlos Gonzalez, Johnny Howard, and Kenneth Payne. They will serve as Hamlin's voting delegates to the meeting.

This will be a district organizational meeting. A district program of work for the year will be adopted. Also plans for the district leadership contests and district banquet will be made.

T. C. Blankinship, chapter advisor, will accompany the boys and attend a district meeting of the Double Mountain District Vocational Agriculture Teachers Association.

for clipping near mid-field. But it only took the Bulldogs one play to get on the scoreboard as Quarterback Roland Beal passed over the head of the Hamlin defender to his end Ricky Stone who went into the end zone untouched. The pass was good for 47 yards. The two-point pass play failed into Coahoma territory following the kickoff, but a five yard penalty at the Bulldog 39 stopped the drive.

The Pipers moved the ball into Coahoma territory following the kickoff, but a five yard penalty at the Bulldog 39 stopped the drive. Neither team moved the ball for the balance of the first quarter as they exchanged punts and fumbles.

Coahoma intercepted a Piper pass early in the second period to open their next scoring drive. Taking over on the Hamlin 43, the Bulldogs took 11 plays to make it to pay dirt with Fullback Donnie Buchanan scoring from three yards out. Again the two-point try failed.

Again the Pipers moved into the Bulldog end of the field on good runs by Fullback Barry McDonald only to have another five yard penalty stop them.

The two teams exchanged the ball back and forth until late in the third period without either team mounting a serious threat.

GOOD YARDAGE—Tailback Charlie Sellers (22) breaks loose from two Coahoma Bulldogs to pick up good yardage here Friday night. Other Pipers pictured are left to right, Darrell Craig (50), Barry McDonald (30), and Edward Johnson (62). (Tim Jones Photo)

Trailing by only 12 points the Pipers started rolling moved 58 yards in four plays with Quarterback Duane Stewart coming in for the first time this season to complete two good passes to Ricky Rodgers and Jackie Warner for 12 and 15 yards. They moved from their own 20 to the Bulldog 30 before Coahoma intercepted a pass and returned it to their own 42.

Seven plays later the Bulldogs were on the scoreboard again on a 23 yard pass from Beal to Halfback Keith Pherigo for the score. Pherigo carried around his left end for he two points to put the Bulldogs out in front 20-0.

The Bulldogs scored again

following a Piper punt as they moved 58 yards in four plays with Quarterback Beal going around his left end on a 37 yard keeper. The point after try failed.

Coahoma recovered a Pipers fumble on the Hamlin 29

to set up the final score. Beal ran a keeper around his right end for nine yards and the score. The pass attempt for the two points failed.

The Pipers were down inside the Bulldog 30 as the game ended.

Washers and Dryers

GREEN DOT QUALITY ASSURANCE — every washer and dryer must pass a battery of electronic quality tests before it leaves our factory. If it doesn't pass, it cannot receive the green dot certification. Ask to see the green dot on the back of GE laundry products — your assurance that you are buying a quality appliance.

MINI-BASKET — it's like having a small washer inside your big washer! Up to 2-1/2 lbs. of problem loads, leftovers, fabrics that fade — all those items you used to wash by hand can be washed properly and carefully in your Mini-Basket. Needs only 16 total gallons of water and 1/4 cup of detergent.

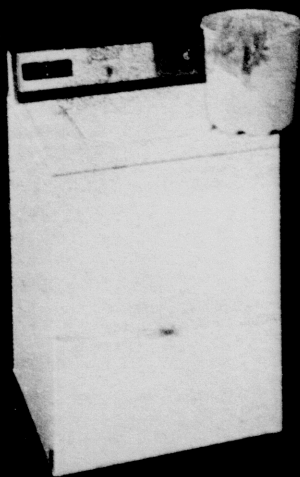

AUTOMATIC MINI-BASKET WASHER Five wash cycles with four wash/spin speed combinations and six wash/rinse temperature choices lets you tailor your washer to the load. Special permanent press cycle means less ironing, as cool-down spray rinse helps prevent hard creases. Additional cycle selections include: special enzyme soak, Mini-Quick and extra rinse. Model WWA8520L.

BIG 18 LB. FILTER-FLO WASHER WITH MINI-BASKET. Two wash/spin speeds, five wash/rinse temperatures and four water level selections plus special permanent press cycle. Also extra wash and soak cycle for heavy soil removal. Model WWA8050L.

ABOUT \$229*

18 POUND WASH CAPACITY — not only will this new size GE washer do your regular loads, it also gives you the extra capacity for large bulky loads like no-iron draperies and bedspreads.

MINI-QUICK CYCLE washes "need-it-now" items. Completes the entire cycle — wash, rinse and spin in less than 10 minutes. Helps you take full advantage of the new, modern easy-care fabrics.

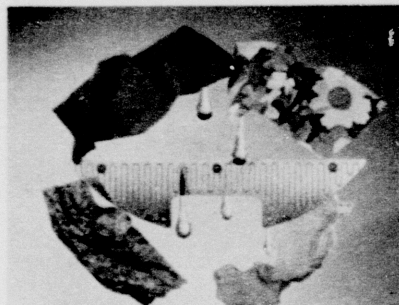

FAMOUS FILTER-FLO® filtering system lifts lint fuzz out of the wash water in a non-clogging, moving filter. So helpful with dark colors. Doubles as an automatic detergent dispenser.

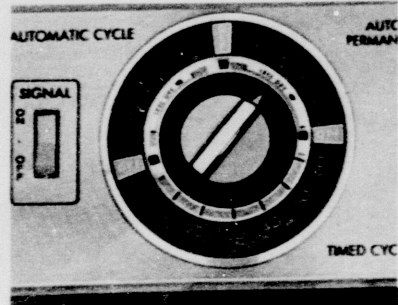

AUTOMATIC DISPENSERS — add granular detergent, bleach, fabric softener and liquid detergent to your wash at the proper time automatically. Prepare the load and you're free from "washer watching."

ELECTRONIC MOISTURE SENSOR ALLOWS "NO GUESSWORK" DRYING IN EXTRA LARGE CAPACITY DRYER.

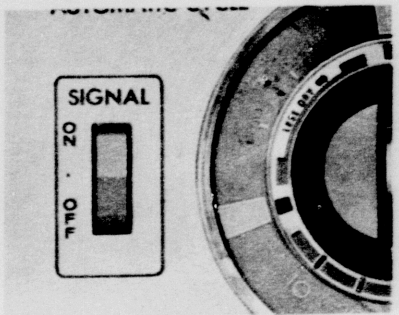

Extra large capacity gives permanent press fabrics the room to tumble, fluff and cool out wrinkles. Electronic moisture sensor actually feels clothes to determine the precise degree of dryness. Prevents underdrying or overdrying, even on mini-load. Features the sanitize cycle that kills a higher percentage of certain bacteria which are resistant to normal drying cycles. Buy the most advanced permanent press dryer, Electric Model DDE9200L, Gas Model DDG9200L. Select your most economical power source.

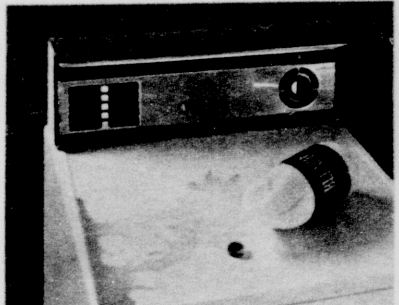

ELECTRONIC MOISTURE SENSOR — determines when clothes are dry the same way you do — by touching them to "feel" how damp they are. Eliminates under-drying or harsh, damaging overdrying.

AUTOMATIC PERMANENT PRESS CYCLE — just push a button, turn a dial and permanent press clothes are tumbled in controlled heat, cooled and ready to hang or wear — wrinkle free. All automatically.

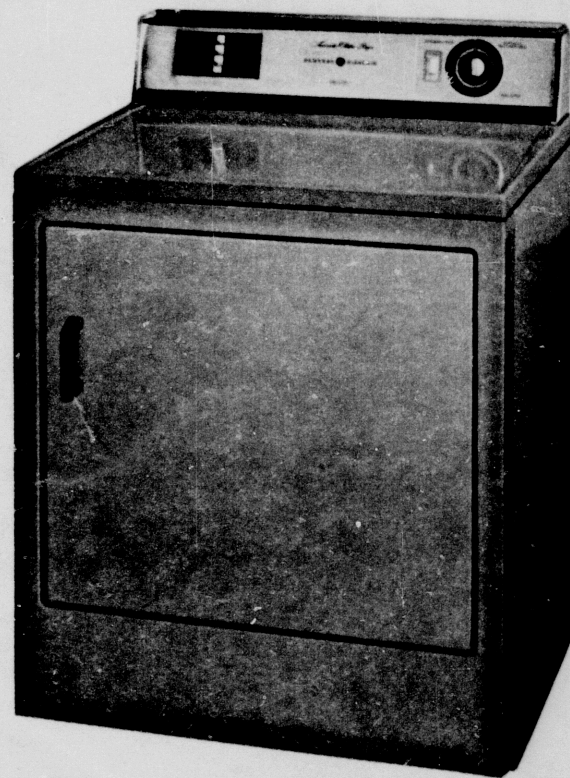

END-OF-CYCLE SIGNAL CONTROL — No need to run back and forth to see if the dryer is stopped — this signal will "tell" you when the cycle is complete. Baby asleep? — just push the control to "off".

PORCELAIN ENAMEL TOP AND DRUM — all GE electric and gas dryers give you the benefit of porcelain enamel. It's easy to clean... the smoothest finish to put next to your clothes and linens.

EXTRA LARGE DRYER DRUM is 46% larger than the standard GE dryer drum — saves time — dries permanent press more effectively by giving clothes extra room to expand and tumble out their wrinkles. Giant loading port eases loading and removing clothing. Plus — all GE dryer drums and work surface tops are porcelain enamel.

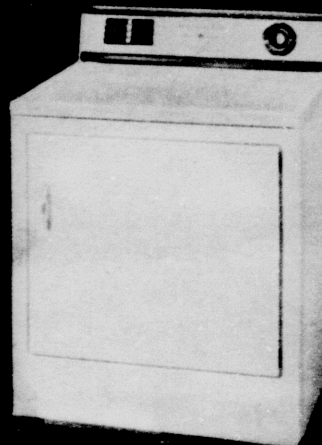

EXTRA LARGE CAPACITY AUTOMATIC DRYER Three automatic cycles and three temperature selections allow matching drying to the fabrics in the load. Automatic permanent press cycle dries and dewrinkles synthetics and blends. End-of-cycle signal tells you when cycle is completed. Electric Model DDE8100L. Gas Model DDG8100L.

EXTRA LARGE CAPACITY AUTOMATIC DRYER WITH PERMANENT PRESS, heavy and regular settings plus temperature control carefully dries all fabrics. Porcelain enamel top and drum. Giant loading port and lint trap. Electric Model DDE8040L. Gas Model DDG8040L available at slightly higher cost.
